# Caudwell Children transforms the lives of disabled children across the UK.

**We act as a safety net for families who are unable to gain the help they need.**

## Family Support

Giving families practical support and guidance at home, in hospital or on the phone at the point of diagnosis or during treatment.

## Equipment

Mobility, sensory and specialist sports equipment that children need to live fulfilled, happy and independent lives.

## Treatment

Providing funding access to vital treatments which could dramatically change or save a child's life.

## Therapy

Access to life changing therapy programmes for children with cerebral palsy, brain injuries & other associated conditions.

## Supported Holidays & Short Breaks

Teaching practical life skills through activity programmes, family trips and accredited courses.

## Autism Services

Providing practical and emotional support for autistic children and their families. An innovative new programme of multi-disciplinary assessment, practical support and research to be delivered from our purpose-built Caudwell International Children's Centre (CICC) at Keele University.

## WELCOME

I hope you will join the Cycle With the Champions cycle challenge and help us make a difference to disabled children. This is the fourth event I have created to bring together friends and like minded generous supporters to make a real difference to disabled children's lives. As I have supported the charity since 2016 I have met and talked to a lot of families the charity has supported, as a mother of 1 I can only imagine the struggle that these families go through to get the support and help they need for their child.

This is an exciting time for Caudwell Children with them recently opening Caudwell Children International Centre, which is the UK's first and only purpose built centre that meets the needs of all children with an Autism Spectrum Disorder (ASD). This year's event we will focus on raising money for the autism service Caudwell Children will be running at their new building. It costs £4,800 to put a child through the autism programme which most families can't afford so please join me on this cycle and help me change as many children's lives as possible.

Be part of this event and with each mile on the bike, you will be making a big difference to children's lives.

# Butterfly BALL

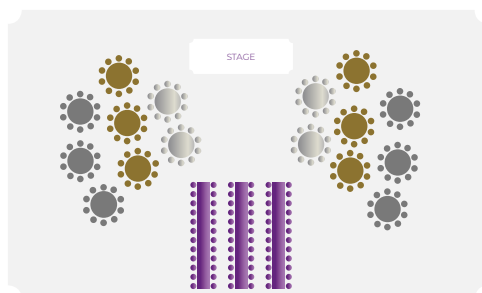

· MONACO ·

The Butterfly Ball Monaco is an exclusive Charity Gala Dinner which brings together like-minded business people and philanthropists to help change children's lives.

Our gala dinner takes place on the evening of Sunday 20th October 2019 in the 5 star Salle Empire at the Hotel de Paris, Monte Carlo. This year's Butterfly Ball Monaco promises to be another fantastic & unforgettable evening of entertainment and fundraising.

In 2018 we raised a magnificent £493,179.00 at the Gala Dinner which has gone a long way in providing life changing support for many children and families. This year we are determined to reach a new record.

**Be part of something special by supporting  
the Butterfly Ball Monaco 2019.**
